

## Bachelor of Science in Education

### Master of Arts in Teaching

Spalding University's College of Education is approved for all programs by the Kentucky Education Professional Standards Board (EPSB) and programs are licensed with Kentucky Council on Postsecondary Education (KyCPE). Currently, the College of Education is nationally approved by the Council for the Accreditation for Educator Preparation (CAEP) for its initial certification programs (undergraduate and MAT). While Kentucky is a member of the National Association of State Directors of Teacher Education and Certification (NASDTEC), Kentucky considers certification reciprocity but it is still the purview of the state to consider the particulars of each out of state certification on a case-by-case basis.
